

# Driver's Education Information for Students and Parents

The Missouri Department of Revenue: <http://dor.mo.gov/drivers/>

This website gives information regarding how to obtain your Missouri Driver's License.

The Metropolitan Community Colleges (Blue River Campus) in eastern Independence has two programs for students wishing to learn to drive.

- 1) Driver's Education Classroom Course.
- 2) Driving Course with experience behind the wheel.

Information for both programs are found at:

<http://mccckc.edu/services/publicsafety/psioverview/DriversEd.asp>

MCC Contact person: Carol Brown (816) 604-6585 or (816) 604-6518

AAA (American Automobile Association) has Teen Driving information:

<http://teendriving.aaa.com/MO/>

This information is provided as a service to the Students and Parents of Richmond R-XVI School District. The MCC program is not affiliated with the district, but many of our students may be interested in their Driver's Ed Programs.
